Oh we wouldn't schedule that mtg with her and Tom - that's up to you guys. If Tom is comfortable with this, it might be good for him to invite Melissa Harrison so she's aware of the discussion and can weigh in on the comms-side and what role she should play. Thanks all!

Liz talked to Tom. He will update the Administrator but please don't schedule anything w her immediately. Early next week we will make sure everything is clear to him and then he can decide next steps. Adding Liz so we are all together.

Sounds like a perfect approach. Might be worth noting to them that Melissa is a political which could help the conversation.
